T. A. Griffen Esq.

Submit the following report for Tuesday the 19 Day of Oct 1926.

There was very little doing to day I tried to reach you by Phone at U.V.B. then Phone. Mr Paulsen and think it wise to have Mr. Gregory and Mr. Hockenbury, Asst. and Gordon Frederick Porter at Bloomfield Station & Conductor. as I fully believe Dickman will be produced at Grand Jury Thursday, as I know "Curly" is using this for the indictment, and would not be surprised if "Dickman" would state that Jules gave him the money. He will say anything they tell him. I will get Hockenbury & Frederick at Court house out side, and that they can locate it by 9 A.M. Reporters all are sure of Dickman being at Grand Jury as it was stated Moore arrived for Jules & he brought him under guards from the Fort.

Do not let Gregory pay them for their time as I will put it in their after they are here if you pay will call you or Mr Paulsen on the Phone at 1 P.M.

Had a talk with Klingman & expects word from Senator W. tomorrow A.M. on the Deal.

Respt Submitted.

It would be a good trick for U.S. Gentleman to have Stock for from Postoffice.
